"Thriving On Country"

Entitled 'Thriving on Country,' this digital artwork captures the emotions evoked by reconnecting with one's homeland. It emphasises not only the personal connection but also underscores the significance of safeguarding the environment to ensure its thriving existence.

Name:	Age: Cour	itry:	These pages are provided as a free resource for pe	ersonal enjoyment, school classes, and art programs. Designed reativity and provide a fun, engaging way to explore the beauty	d by award-winning artist, Presten Warren to inspire of Aboriginal art & culture. Not for commercial use.
